

Press Release (Summary)

Jasdaq Opens New Market “NEO”

Tokyo, Japan. November 13, 2007 - Jasdaq Securities Exchange, Inc. announced today that it opened its new market "NEO".

Jasdaq announced the new market's outline in March and its name in May of 2007. On August 13, it has put into effect “partial amendments of listing regulations for establishment of NEO” and officially founded the new market. Today, Ubiquitous Corporation became the first company to be listed on NEO.
